RoofSupport

RoofBlock

Date: 19-11-2025

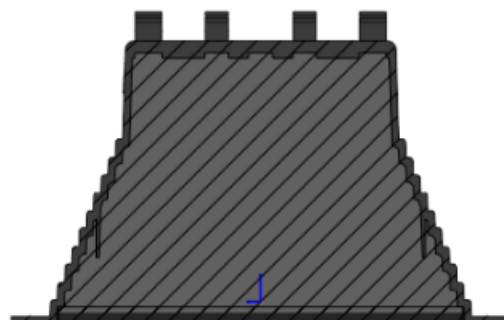

Article number: RSC102011

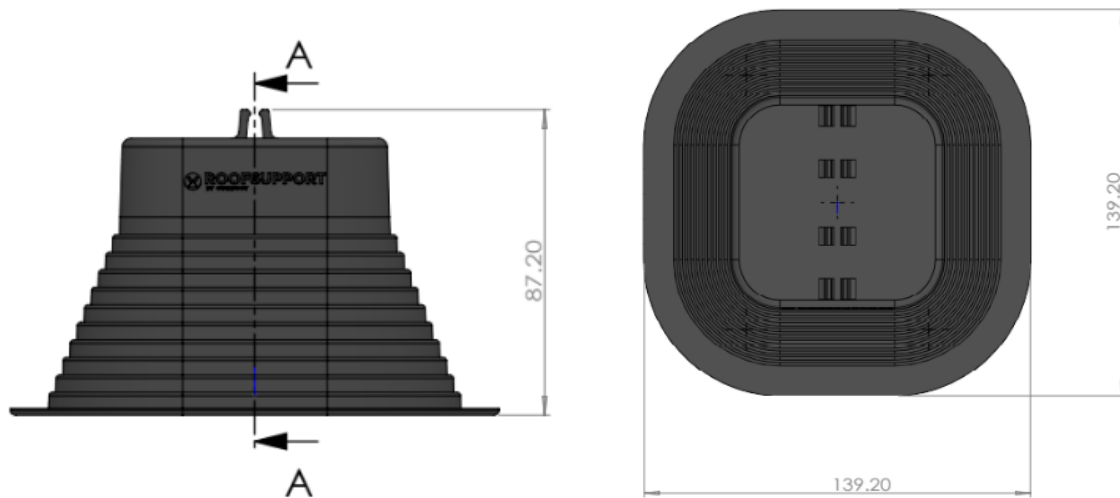

HS-Code: 39259020

Product description

RS RoofBlock allows quick installation of the cable tray system on roofs, without anchoring to the ground, thanks to the weight of the support. The UV-stabilized cap material is cold-resistant and easy to attach to the RoofSupport cable tray with the click system.
